ELEVENTH SUNDAY IN ORDINARY TIME

June 15, 2008

Jesus realized that the apostles would grow into being disciples, would grow into regarding authority as service, would grow into preaching the Good News to all peoples - even if all this took them outside their "comfort zone". Like the apostles, we need to grow as disciples. And that has its awkward moments, times when we may not be sure what to do or say, times when we feel stretched & definitely not in our "comfort zone."
