ST. PETER & ST. PAUL

June 29, 2008

Jesus asked the disciples "But who do you say that I am?" He is asking for a decision, a verdict, or perhaps even, as Peter offers, a confession of faith. The issue is not who others say Jesus is - what they think about him - but who they personally think he is. What is needed is not to know about Jesus but to know Jesus. The former is facts, knowledge. The latter is a personal relationship.
