SECOND SUNDAY OF ORDINARY TIME

Jan. 18, 2009

You must try to pray so that, in your prayer, you open yourself in such a way that sometime - perhaps not today, but sometime - you are able to hear God say to you: "I love you!" These words, addressed to you by God, are the most important words you will ever hear because, before you hear them, nothing is ever completely right with you, but, after you hear them, something will be right in your life at a very deep level.
