FIFTH SUNDAY OF EASTER

May 2, 2010

Jesus is inviting his disciples and us to accept our being loved by the creating God and having accepted that, we are urged gracefully to be instruments of attracting others into the circle of life. If I love you, I will want you to be, not more than you can be, but more of the God-loved person you are. The more my love for you helps you to love yourself, the more the circle will be created larger, deeper.
